

The RotaSeal™ Reel Swivel Gives You What You Want.

- Seals that will not “rust” in the off season
- A seal kit that does not cost an arm and a leg
- Seals that do not require lubrication - ever!
- Easy “on the vehicle” seal inspection or replacement
- Standard industry dimensions
- UL Listed for propane service
- Hardened corrosion proof seal face for long trouble-free service

*Easily disassembled **on the truck** for seal inspection or replacement*
